Department of ECE

Vijaya institute of technology for women has organized GATE Coaching from 10-09-2018 to 15-09-2018. The program was organized by the department of ECE to provide basics on the preparation for the GATE exam for III B.Tech ECE Students.

The benefits of the program include:

- To create awareness among the students regarding GATE examination.
- To support the students by providing necessary information about marks weightage.
- To cover the essential topics required for Electronic Circuit Analysis and Digital IC Design which is important for GATE examination.

PROGRAM OUTCOMES:

After the completion of this course, students will be able to

- Analyse the transistor configuration at different frequency responses.
- Understand the applications of oscillators, tuned amplifiers.
- Design different single stage and multistage amplifiers.
- Evaluate power dissipated in a circuit (dynamic and leakage).
- Design a circuit to perform a certain functionality with specified speed.
- Identify the critical path of a combinational circuit.
